

How to use Afterpay In-store

Customers new to Afterpay

1 Search for 'Afterpay' and download the App on the App store or Google Play

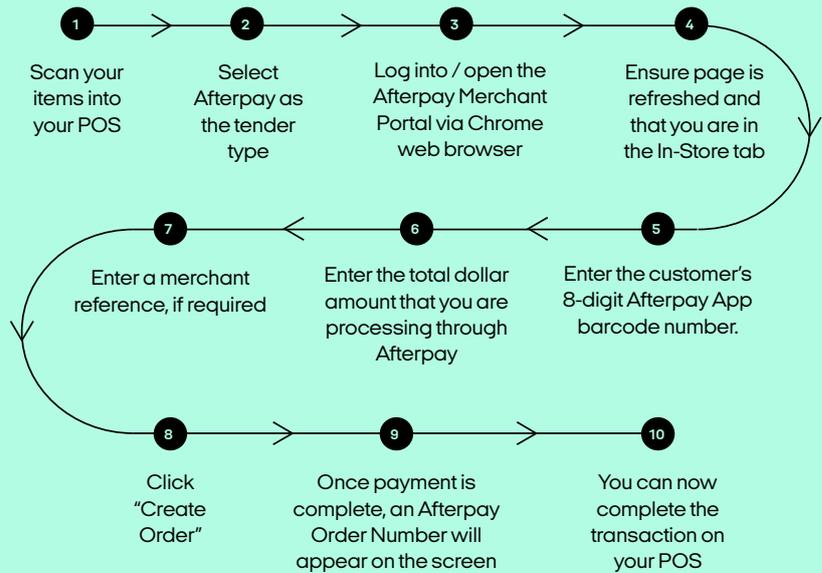

2 Open the App, create a new account and let the customer fill in their details.

3 Get a ready-to-use barcode up to the maximum amount you can spend In-store. When you're ready to pay, simply have your barcode scanned at the register.

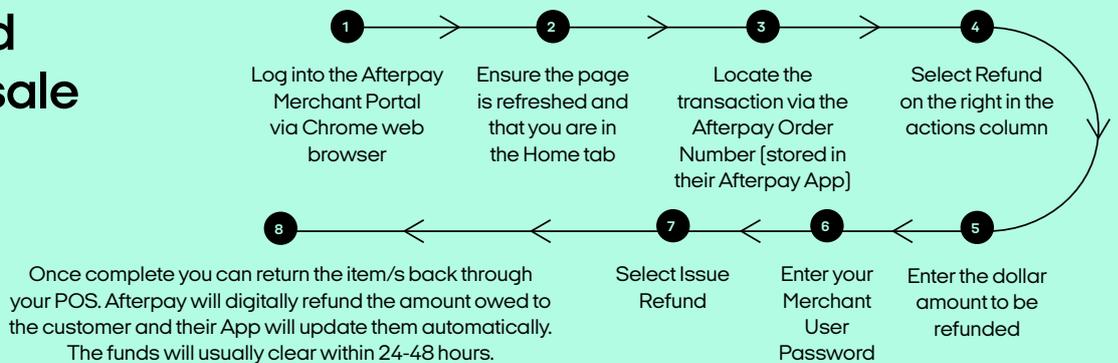

4 View your current and past orders, make payments and manage your account all within the App!

5 You'll get a reminder before the payment is due. Simply make sure the funds are available on the day we automatically deduct payments from your card to avoid incurring late fees.

What is Afterpay?

Afterpay allows you to shop for the things you love and pay over time. Split your purchase across 4 instalments, due every two weeks.

So buying a \$200 item will see you pay 4 x \$50 every 2 weeks following purchase. All the while the item is at home with you!

All payments are interest-free and there are no additional costs, as long as you pay on time.

How does Afterpay work?

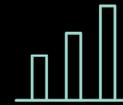

The new way to pay

Shop now. Pay it in 4.
Always interest-free.

The results retailers see
Afterpay drives increased conversions, average order values and repeat purchases.

Increased basket value

Increased conversion

Who are we?

We are customer centric

Afterpay is a unique service which was founded to champion the customer's best interests when it comes to making retail purchases.

We are a budgeting tool

Splitting payments in to 4 instalments You pay nothing extra when you pay on time*, according to your payment schedule. It is easy to view orders and payment schedules on afterpay.com to manage all budgets. Manage your payments through the App or on afterpay.com

New way to shop

Afterpay is a lifestyle product which makes shopping more convenient. Enabling you to get the things you want when you want them, while managing payments over time.

We encourage responsible spending

We send payment reminders - communicating via SMS and email prior to payments becoming due. Afterpay helps customers pay on time. Afterpay benefits from customers paying off their orders in full and on time. Afterpay applies personal order and account limits they start low and increase as repayment history with Afterpay is positive.
